Dear Mr. Armishaw,

In enclosing our official receipt for the very splendid gift, I would like to say how once again we are deeply indebted for all the good will and practical generosity of those who have made the gift possible. Our long connection with the School is very valuable to us and I know that we benefit in many other ways from it.

I would be most grateful if in some way you could convey to those who made the gift possible our very sincere thanks.

Yours sincerely,

R.E.HUGHES.
