

Sid Rose

I was there from 1962 - 69 and was in Etchells House. I ran in the school X-country team and sometimes played for the rugby team. After MHGS I went to Art School and then became a teacher. I lived and worked in Cambridge, London, Hong Kong, Singapore, Dubai, Qatar, India and Sweden. I have been a Headmaster of international schools in Sweden, Qatar and India. Now I live in Stockholm, Sweden and work in Marketing. I travel all over the globe doing that.

It would be fun to hear from anyone who remembers me.
